 - Friday - August 7 OR
 - Friday - December 4
- OR TAKE ANY TIME ONLINE!**

ABOUT THE EXAM

Florida "Standard" certificates are excellent credentials and are valuable to ALL who work with other code professionals/officials. While you need NOT be employed by a municipality to obtain the certification, you are REQUIRED to do so if you ARE employed by a municipality or private inspection provider, in the appropriate category for the work performed (BN, PX, BU).

All Florida "Standard" inspector or plans examiner certificates are issued through the BCAI Board (Building Code Administrators and Inspectors Board). The ICC (International Code Council) contracts with the BCAI to administer the "technical" portions of the exams (most are 50 open-book questions in 2.5 hours). ICC contracts with Pearson-Vue computer centers for CBT (Computer Based Tests) available by appointment (after BCAI approval). You may also test using the PRONTO system - from your own computer.

FYI - If taking the ICC exams for FLORIDA STANDARD CERTIFICATES, APPLY to DBPR FIRST: myfloridalicense.com. AFTER your APPROVAL, purchase books and schedule your course, take the exam (CBT so you can take them whenever you make an appointment). BCAI has EXPERIENCE qualifications for the Florida Standard Certificates (ICC does not). Florida candidates are required to pass a "Principles & Practices" exam, which you cannot take until you are approved.

**ICC CBO CERTIFIED
BUILDING OFFICIAL**

Online/Class
\$895

This prep course covers the 3 PART Management MN (on demand); Legal ME (on demand); and Building Codes & Standards FB (live classroom) modules of the ICC CERTIFIED BUILDING OFFICIAL exam based on the 2015 ICC International Codes. Course includes unlimited access to online courses and simulated exams. LIVE classroom session may be attended via webinar.
